

WINDOW TINT SERVICE DISCLAIMER

By authorizing a window tint installation, the vehicle owner acknowledges and accepts that Gloss Gang Detailing is not liable for any electrical issues, water damage, or component malfunctions that may occur during or after the installation process.

While every effort is made to perform clean and careful installs, some vehicles may have sensitive or exposed electronics near glass panels. It is the customer's responsibility to ensure all electrical systems are protected prior to service. No warranties are implied or expressed for any non-tint-related vehicle systems.

Windshield Tint Notice:

Due to the proximity of sensitive electronics (dash components, sensors, BCM, etc.), Gloss Gang Detailing is not responsible for any damage, shorting, or malfunction caused by water exposure during tinting of the windshield or front windows. Proceeding with this service constitutes acknowledgment and acceptance of this risk.

By leaving your vehicle at Gloss Gang Detailing outside of business hours without signing this form in person, you are automatically agreeing to all terms and conditions outlined in this disclaimer. This includes accepting all risks associated with the tint installation and waiving Gloss Gang Detailing of liability for any damage or issues unrelated to the tint film itself.
